

The Nemours Partnership for Children's Health is grateful to the following individuals and organizations who generously contributed toys, games, DVDs, books, craft supplies, video games, dolls, new stuffed animals, tickets to sports events, as well as handmade blankets, quilts, hats and pillowcases. These items, presented to the Nemours/Alfred I. duPont Hospital for Children or Nemours Clinic locations in Jacksonville, Orlando, and Pensacola, Florida, are used in Child Life programs, for children's holiday "shopping" and to provide "happy presents" for children undergoing medical procedures. Many thanks to these generous friends! *For information about in-kind giving, visit [www.nemours.org/give](http://www.nemours.org/give).*
